

Whereas Mr.s John Albro and William Dyre by assent and Joynts consent of the Town of Newport and the Town of Portsmouth were apointed to Lay the Line of Devision or seperation of the bounds or bounderies of and between the two towns of newport and Portsmouth. now Know yea and all, that mr.s the abovesaid pearsons did begin at the southeaestern side of the island and so runs the Line toward the island, by markigg trees the untill Mr.s came to the northeastrn parts of the island called Rhode Island with said boundes or bounderies, Mr.s then did detierim-ing as by marked trees severall of whith had this Epthitti: n upon newport side and P upon portsmouth side unto which we subscribe of our hands this 3 of may: 1666: John Albro  
William Dyre

Entered upon record according...  
to order by mr. Richard Bulgar..  
Records for this town of Portsmouth

This above written is a true copie extracted out n. this Records belonging to this Town of Portsmouth and compared. Mr. John Anthony Town Clerk.

Whereas Misters John Albro and William Dyre by assent and joint consent of this Town of Newport and this Town of Portsmouth were appointed to lay this line of division or separation of these bounds or boundaries of and between these two towns of Newport and Portsmouth. Now Know yea and all, that the misters came to the northeastern parts of the island called Rhode Island with said boundaries. Misters then did as by determing as by marked trees several of which had this epithet: n upon Newport Side and P upon Portsmouth side unto which we subscribe of our hands this 3rd of May 1666:  
John Albro  
William Dyre

Entered upon record according to order by Mr. Richard Bulgar..  
Records for the Town of Portsmouth

This above written is a true copy extracted out of these records belonging to the Town of Portsmouth and compared. Mr. John Anthony Town Clerk.

Notes: Richard Bulgar was the town clerk in 1666.  
John Anthony was the town clerk in the 1680's.
